The Honorable Herbert Hoover, Jr.  
The Under Secretary of State  
Washington, D. C.

Dear Herb:

Some time ago you referred to me a letter  
from [redacted] of Pasadena,  
California, who had indicated an interest in  
governmental service.

[redacted] interviewed  
him and determined that he is only interested  
in serving in a time of National Emergency. We  
are keeping his letter on file.

Sincerely,

[redacted]

Allen W. Dulles  
Director
